ASIAN FOOD STORIES

Crafting innovative dining experiences

Celebrating Asian food

Asian cuisine, celebrated worldwide for its rich history, offers a culinary experience like no other. Throughout the centuries, several styles of Asian cooking have evolved, each bringing distinctive flavors to the table. Exploring Asian cuisine allows diners to immerse themselves in the rich cultures of each region - from the spicy dishes of Thailand to the delicate flavors of Japan, each meal tells a story and reflects the heritage and traditions of its origin.

At COSTA NOVA, we've extended this narrative to the following collections...

Opposite page: Riviera footed bowl 12 cm | 5" in vert frais.
Top to bottom: Lagoa round plate 27 cm | 11" in metal. Lagoa bowl 14 cm | 6" in metal.

FOR STARTERS

RIVIERA & MADEIRA

The perfect start to a meal is marked by appetizers that provide a “sneak peek” of the culinary adventure to follow. At COSTA NOVA, our ideal preview is the Riviera and Madeira collections.

Designed by the French floral designer Christian Tortu, Riviera presents an extensive range of shapes and colors showcased on glazed surfaces. Meanwhile, Madeira pushes the boundaries of stoneware design, offering, among other pieces, rectangular trays perfect to showcase starters like tempura.

4. Resonance round plate 13 cm | 5" in cream.

Opposite page: Riviera oval plate 15 cm | 6" in azur with Madeira rect. tray 27 cm | 11" in blue.

RODA & NÓTOS

Oysters require a special presentation, such as being served on a bed of ice to appeal to customers: Nótos and Roda collections are versatile and ideal for showcasing these elements beautifully. Nótos complements any setting, whether used alone or paired with metal, wood, or cork accents.

Both collections are crafted to meet the standards of great Chefs, pursuing excellence in every aspect.

RODA

Roda is a complete and flexible collection, crafted to meet rigorous standards of resistance and performance. Versatile enough to complement a variety of dishes, it excels with seafood, meat, and vegetables. Designed to elevate food presentations to the next level, this durable stoneware collection ensures memorable dining experiences while aligning with sustainability goals.

APARTE

The Aparte collection offers limitless possibilities within this Asian Food Story.

Its unique design lends itself perfectly to mixing and matching, allowing for individuality and style in food presentations. Among its many advantages, it is freezer and oven safe, ensuring functionality for hospitality use. Aparte shell bowls can be used to present miso soups, for example, transforming the customer meal into a real sensory experience.

MAIN MEAL

ARENITO & REDONDA

Handcrafted exclusively from COSTA NOVA's recycled clay formula, ecogres, the Arenito poke bowls take center stage in this collection. In addition to a range of latte bowls, coffee cups and lungo cups, Arenito features a matte interior that extends to the underside, giving it an artisanal aesthetic. Chip-resistant and stackable, the Arenito collection offers numerous other benefits and comes in six different colors.

Pacifica hashi holder 5 cm | 2" in artichoke. *This set is available in 6 colors.

RIVIEIRA & RODA

The presentation of sushi and sashimi is an art form. Colors and textures come together to create a true Japanese cuisine experience. Riviera collection also has this artsy side with its leaf-shaped pieces, allowing sushi presentations to become true works of art. The Riviera and Roda duo work perfectly in sashimi presentations.

APARTE & RIVIERA

While not all traditional sushi is served on rectangular trays, the shape is reminiscent of traditional Japanese dining trays. This shape is easy to handle, stack, and store, fitting well in refrigerators, display cases, and on dining tables, making them practical for both preparation and serving. The Aparte and Riviera collections each include pieces specially crafted for food presentations, offering options for serving sushi.

COASTLAND

A signature collection

“The products in the collection are all very precisely coordinated, resulting in very useful and creative combinations for the professional. Tall plates become lids and vice versa. Wooden cutting boards become wooden plates and at the same time lids for bowls and dishes. Flat plates in combination with matching wooden plates become new presentation objects for dishes of the casual dining world. Coastland tells sustainable and material aesthetic stories on the table in a variety of ways”

RESONANCE & BOUTIQUE

In many Asian cultures, the sharing of food is an integral part of social gatherings and meals. Asian dishes often incorporate a variety of textures, such as crunchy, chewy, and soft. Complementary items like pickles or sauces served in small bowls provide contrasting textures that complement the main dish.

Resonance, in conjunction with the Boutique collection, forms an innovative combination of stoneware and porcelain, where aesthetics, textures, and approach converge to create a sophisticated dining experience.
