WHAT MAKES US DIFFERENT

CHIP RESISTANCE AND METAL MARKING

COSTA NOVA presents collections with very good resistance to chipping and metal marking, suitable for busy environments.

USE OF COLOR

COSTA NOVA is known for creating unique finishes, from the purest white to the most striking reactive glazes. All the different results are obtained with the same single-firing system.

COMPLEMENTARY PIECES

In addition to all the basic pieces for a table setting, COSTA NOVA offers complementary pieces such as teapots, creamers, sugar bowls, appetizer plates, ramekins, butter dishes and many more.

AVAILABILITY

As we manufacture our own products, we control our stock and have great delivery times.

VALUE

We offer a wide range of quality and sustainable products with good value for money.

DIFFERENT GASTRONOMIC SCENARIOS

Designed for unique and eye-catching gastronomic presentations, our collections offer different solutions for every style or dining experience.

This presentation is intended for internal and commercial use only. Some photos shared in this document were extracted from social media and are designed to serve only as examples, not for printing or widespread distribution. Full credits are disclosed on the following pages.
